

\$258,000 SCHOOL BOND ISSUE GIVEN IRVINGTON VOTERS

A \$258,000 elementary school bond issue will go before the voters of the Irvington School District early in June for their approval, Gus Robertson, district superintendent and principal announced yesterday.

The bond issue, the third in the history of the district, will reach the legal maximum indebtedness allowed the public school district. With the two previous bond issues totaling \$93,000, the proposed issue will bring the district's indebtedness to within the 5 per cent of assessed valuation allowed by law.

"There is no contemplation at the present time of raising the district tax rate," Robertson stated. "We hope to keep it at the present 90 cents per \$100 assessed valuation."

The new bond issue was approved by the board of trustees late in March and final legal approval by the district attorney was given this week.

The need for the bond issue is based on a contemplated future expansion program, new equipment deemed needed, for remodeling work and other necessary items, Robertson explained.

"Negotiations have already been undertaken for the acquisition of land for a new school building," he said. "At the present time we believe it necessary to add six new classrooms and other facilities to meet the requirements that will be facing us by September, 1953."

The Irvington Grammar School now has an enrollment of 390 students. A recent survey revealed that an enrollment of 466 students may be expected next fall. There are currently 13 teachers on the school staff.

It was pointed out that the full \$258,000 in bonds may not be issued at once. The board of trustees will retain the power to issue bonds only to the extent of the amount needed, but not to exceed the maximum.

Members of the board of trustees are Dr. E. M. Grimmer, clerk, Alfred Peixoto and John R. Gomes.

WOMAN FOUND DEAD IN AUTO

Mrs. Katherine Smith, 42, of San Leandro, an apparent suicide, was found dead in her car near Mission San Jose last Saturday. She had been previously reported missing. Sgt. William Hildebrand and Deputy Leonard Lucas of the sheriff's substation at Centerville reported that the woman's right wrist was slashed. She was listed as missing Thursday when she failed to keep an appointment with a doctor.

The body was found in her car parked on Sheridan Road. Leonard Cunha of Centerville and Alfred Mendoza of Irvington made the discovery and reported to the sheriff's office.

NEWS DISPATCHES PRAISE LT. BENDEL

U. S. Navy dispatches from Korea this week praised Lt. Roland Bendel Jr., son of Mr. and Mrs. Roland Bendel of Niles, for his part in Task Force 77's assault along the Wonsan-Hungnam route.

Bendel, a Corsair pilot, was reported to have laid a ton and a half of high explosives in the middle of four warehouses, leaving the "said warehouses in a sad state for salvage workers."

Bendel's attack on the warehouses was for the purpose of inflicting irreparable damage on the communist held rail center in the area.

Task Force 77 includes the carriers Boxer and Philippine Sea and is known as the Navy's "floating airfield."

WATER DISTRICT FILES LAW SUIT

With the filing this week of a suit against one group of water rights owners, the Alameda County Water District began the second phase of its campaign to acquire the remaining water rights held by owners of property with free water grants.

The suit was filed in superior court against shareholders of the Silva Bros. Sand and Gravel Co.; Silva Bros., Contractors; and Elderberry Park.

The suit, in effect, asks for a court interpretation of the basic contract between Hattie B. Ellsworth and the Spring Valley Water Works. The contract, made in 1877, gave perpetual free water to the extent not to exceed 500 gallons per day per acre for some 180 acres of Ellsworth-owned acres.

The suit also asks for clarification of what water now is to be furnished and how it is to be furnished.

Members of the Alameda County Water District are directing all queries regarding the suit to their attorney, George Clark of Berkeley.

Some 44 water right owners replied by letter this week to the district's offer to purchase the rights. The owners stated they were not interested in selling.

In a letter sent to the property owners who had acquired the water rights when they purchased home sites from the Ellsworth Land Company, the Alameda County Water District stated that a survey of property deeds indicated that the grants to the owners did not purport to carry as much as 18,000 gallons daily. The district claims that 100,000 gallons daily is the average flow to the area.

AIR WAR IN KOREA SUBJECT OF TALK

Lt. (jg) Sam French, air intelligence officer at the Alameda Naval Air Station, will address the 20-30 Club next Tuesday evening on the subject of air operations in Korea.

French appears as the second speaker in a series to address the club now being organized by young men of the township between the ages of 20 and 35. Club officers have extended an open invitation to the 90 or more young men of that age group in the township to join the group at its meeting Tuesday at the International Kitchen. Dinner will be at 7:30 p.m.

TO NEED TEACHERS AT CENTERVILLE

Three additional teachers will be needed by the Centerville Elementary School for the fall term, Tom Maloney announced this week.

An increase in enrollment of 100 students is expected with the opening of the 1952-53 school term next September, he stated. The board of trustees have authorized the acceptance of applications from persons qualified for third, fifth and sixth grade teaching positions.

ABOVE is pictured what was left of the light coupe in which Mrs. Ethel Campbell met her death when it was struck by an auto carrier at Machado Corners, Centerville. Two other passengers in the car were injured, one seriously. At right, the badly damaged new autos aboard the carrier which wrapped itself around a tree following the impact with the Campbell coupe.

1 KILLED, 7 HURT IN TRUCK AND CAR CRASHES IN WEEK

One woman was killed, six women and one man injured, in two accidents this week involving light passenger vehicles and a 17-ton automobile carrier and a heavy duty truck and trailer.

Dead was Mrs. Ethel Campbell, 66, of Menlo Park, a passenger in a light coupe which was struck by a carrier at Machado Corners, the intersection of Jarvis Road and Highway 17, north of Centerville, Saturday morning.

Injured in the same accident were her husband, Norman B., 77, driver of the car, and their daughter, Margery, 41.

Seriously injured in a like accident occurring in front of the California Nursery on Highway 9 near Niles Tuesday afternoon were Mrs. Grace Coleman, 60, and Mrs. Anna Canfield, 65, both of Oakland.

Three other Oakland women passengers in the Coleman car were less seriously injured. Drivers of the two trucks were uninjured.

Witnesses to the Coleman accident stated that the Coleman car came onto Highway 9 from the nursery grounds without stopping. The gravel truck smashed into the left side of the car.

The five women had been attending an annual picnic at the nursery of the Foothill Boulevard Federated Women's Club. All were given emergency treatment at Fairmont Hospital before being transferred to private hospitals in Oakland.

In the Machado Corners accident, the driver of the carrier, Harold V. Pasley of Richmond, reported that the Campbell light coupe pulled in front of him at the intersection. His truck, going north on the arterial highway, knocked the Campbell car into a stop sign and then skidded off the highway, jamming itself between a tree and a parked automobile.

The parked car, owned by John Dias of Newark, was seriously damaged, as were three of the five new vehicles on the trailer. Dias had just left his car to enter a restaurant.

Occupants of the Campbell car were thrown clear of the wreck. Evidence showed that Mrs. Campbell was thrown part way through the windshield and then back and out of the door of the car. She was dead on arrival at Fairmont Hospital.

Her daughter suffered leg fractures, a broken nose and severe cuts. She was given emergency treatment at Fairmont hospital and later transferred to the Palo Alto hospital. Mr. Campbell was released to the care of a private physician.

RED CROSS DRIVE TO BE CONTINUED

The Red Cross Drive will continue until April 30, Ann Mayock, township chairman, announced yesterday.

"To date, \$2519.09 has been collected," she said. "We are extending the drive to the end of the month in order that we will be able to meet our quota of \$6,000."

Mrs. Mayock also announced the appointment of Mrs. Bernard Joseph to head the Decoto P.T.A. committee aiding in the drive, and Mrs. John Sousa of Warm Springs as assistant chairman for that area.

MYSTERY MAN CREDITS FAMILY

This week we give you an easy one, for our "mystery man." Almost everybody in the township has seen him at some time or another. But if you can't guess who he is, turn through the pages of this issue of the Register, and you will find the answer.

Although he didn't go beyond the third grade in school, he built up one of the most thriving businesses in the township. He generously says, however, "Ninety-eight per cent of my success I owe to my wife."

In 1921 he arrived in California from Arizona with only 65 cents in his jeans, having lost \$36,000 in a cotton deal in Arizona.

He got a job with a construction firm and worked on the William Taylor Hotel in San Francisco. He was born in Texas, but has lost most of his Texas drawl.

He always refers to his wife as "Mommie," and still talks about her in glowing terms which, in this age when sentimentality is at a premium, is rather nice to hear.

He has two sons who are his right-hand men, and several employees about whom he says, in speaking of his business success, "All my help helped me do it." Guess who!

LIGHTNING STRIKES ONCE, TWICE . . . ?

If you don't think that lightning strikes twice, just ask Mr. and Mrs. Manuel Freitas, who live on Thornton Avenue, Centerville, at the former Kolb ranch.

Last year, an apricot tree in their orchard was struck by lightning. And last week, during the freak electrical storm, lightning struck again, this time with more damage. Mrs. Freitas and her three children were terrified when lightning struck a big tree which came crashing down on the house. All of the windows on one side of the house were blown out, and their 3-year-old son, Clarence, narrowly escaped serious injury from flying glass.

"It was awfully cold and dark with no windows and all the lights gone," said their 11-year-old daughter solemnly.

Mrs. Freitas, even more solemnly, said, "Now I'm wondering if lightning can strike THREE times."

DECOTO BOY SHOT IN TEEN-AGE FEUD

One Decoto youth was hospitalized and another held by juvenile authorities as a result of a shooting which climaxed a quarrel between two schoolmates of the Decoto Elementary School last Friday.

Gary Grandstaff, 12, son of Mrs. Delores Motta of 509 Tenth Street, was treated at the Hayward Hospital for a .22 caliber bullet wound in his right leg.

The shooting occurred as the Grandstaff boy passed near the home of a 13-year-old schoolmate with whom he had had a fist fight earlier in the day. During that fight, young Grandstaff had his hand bitten and had been warned by the other lad to stay away from the latter's house. As Gary Grandstaff approached the house, his young assailant stepped from behind a parked automobile and fired the shot that ripped into the leg below the knee.

Detective Everet King of the sheriff's office reported that the assailant stated he only meant to frighten Grandstaff but that the gun accidentally discharged.

The case was referred to the county juvenile court in Oakland for consideration.

VETERANS GROUP NAMES OFFICERS

Temporary officers of the proposed Veterans Council of Washington Township were named this week and details were completed to present formal organization plans to the four veterans organizations in the township for their approval.

Art Gomes, American Legion, was elected acting commander. Leonard Silva, Alvarado V.F.W., was named temporary adjutant and quartermaster; Walter Roethlin, Irvington V.F.W., temporary chaplain.

Upon the approval of the organization plans by the four veterans organizations, the council will take up its proposed duties of co-ordinating veterans affairs in the township in order to avoid overlapping of functions and activities.

THIEVES STRIP CARS

Eight cars belonging to workers on the night shift at Pacific States Steel Co. were given a going over by thieves early Tuesday morning. Several were stripped of accessories and one was missing two wheels and tires. The discovery was made when the employees went off duty.

TOWNSHIP REGISTER TO HAVE NEW OWNER MAY 1

Mr. and Mrs. L. R. Batman, owners of the Township Register, this week announced that they have sold the paper to Stuart Nixon of Stockton.

The new owner takes possession on May 1.

Nixon, who will become editor and publisher of the Register, has been for the past six and a half years on the editorial staff of the Stockton Record. A native of Burlingame, he attended schools in San Francisco and Stanford University.

In 1940-41 he was assistant manager of the Palace Hotel in charge of public relations, advertising and promotion. In 1941 he enlisted in the Marine Corps, and for a time edited the "Marine Corps Chevron," a service newspaper in San Diego. He was commissioned and spent nearly three years overseas with the First Marine Division.

Nixon and his wife, the former Clara Taft of Piedmont, have three children ranging in age from 5 years to 10 months. They plan to make their home in the township area.

Mr. and Mrs. Batman, who have owned the Register for the past 8 years, have made no definite plans.

MISSION CHAMBER HEARS 2 SPEAKERS

Politics and zoning problems highlighted the monthly meeting of the Mission San Jose Chamber of Commerce held Monday evening.

Michael Overacker, president of the Chamber, led the discussion on zoning problems and told members to present their views to Joe Semas, chairman of the zoning committee.

John Thomas, engineer for the Alameda County Planning Commission, explained the advantages of planned development, warning that it was often better to plan development in advance when such planning would prevent mislocation of residential and commercial areas and lower costs of public services.

The problem of raising adequate revenue from local taxation in strictly residential communities also was pointed out.

The Chamber also listened to the first candidate for public office to appear before it in the current campaign. Bruce Michael of Warm Springs, candidate for county supervisor, outlined his platform and stated his reasons for being a candidate.

SOFTBALL LEAGUE TO BEGIN PLAY

First games in the V.F.W. 14th District softball league are scheduled for Tuesday evening, April 22, it was announced this week.

Irvington V.F.W. Post will meet the Livermore post at the Livermore Union High School field at 8:15 p.m. and the Hayward and Ashland posts will meet at Hayward.

Charles Contini, athletic director for California Department of V.F.W., will make the opening pitch at Livermore, and Claire L. Basford, 14th District Commander, will do the honors at Hayward.

The Irvington team is getting itself in shape with practices this week end on Saturday 12 noon, and Sunday at 10 a.m. Both practice games will be at Washington Union High School field.

MRS. L. H. ADAMS HEADS C.D. GROUP

Mrs. L. H. Adams of Irvington Wednesday was named director-general of the Washington Township Civil Defense Committee. Mrs. Adams succeeds Bruce Michael of Warm Springs, whose resignation was accepted last week.

Mrs. Adams has been assistant director for the township for the past four months. She has named Mrs. Oscar Pohl of Warm Springs as her successor to that post.

78-FOOT WIDENING OF THORNTON AVE. SOUGHT BY STATE

State plans to widen Thornton Avenue an additional 78 feet north of the existing right of way line were given the Washington Township Chamber of Commerce Wednesday evening at its regular monthly meeting.

Steps will be taken in the near future, the Chamber was told, to establish future width lines to prevent the construction of new buildings within this area.

The information was given the Chamber in a letter from L. A. Weymouth, district engineer for the State Division of Highways at San Francisco.

The plan would call for the acquisition of property north of Thornton at the intersection of that street and Hesperian Blvd. (Main Street in Centerville). This property is now owned by St. James Episcopal Church and is under consideration now as a proposed commercial building site.

The plan would also call for the eventual removal of all homes within the 78-foot enlargement area running north of Thornton Avenue.

Members of the Chamber were informed that the extent in length of the widening was not indicated by the highway authorities, but that it would definitely be enlarged the length of the avenue as far as the proposed clover-leaf intersection with the contemplated Eastshore Freeway.

NEWARK CONCERNED

Newark representatives to the Chamber voiced concern that a widening of the road to Newark would bring a highway of fast-moving vehicles to within 50 feet of the Newark Elementary School.

In the evening debate that followed announcement of the plan, the Chamber agreed to take immediate steps to propose an alternate route to be located between Thornton Avenue and Jarvis Road. Col. Gene Manning, executive secretary of the Chamber, was instructed to bring the alternate proposal to the attention of highway authorities.

The Chamber also received a "no" on two other projects under consideration.

The San Francisco Water Department has informed the Chamber that it was impossible to do anything definite at this time in regard to the sale of the Vallejo Mill tract as a proposed park site for the township.

The Union Sanitary District, comprising Niles, Centerville and Newark areas, informed the Chamber that though it was in accord with the Chamber's desire to establish a dry refuse dump for the township, the district could be of no assistance in the matter.

Two township men had their drivers licenses suspended last week, the State Department of Motor Vehicles has announced. They are: C. G. Agundez of Decoto and Guillermo Moreno of Newark.

APRIL GARDEN

My garden is in April bloom. With grass and flagstone floors. My dooryard is an outdoor room for which I shun indoors.

TV PERFORMERS

Did you catch the Saturday evening TV program which featured two Irvington 4-year-old performers, Gail Ann Short and Kathleen Callahan? Those kiddies did well, and their parents and friends are proud of them. Too bad that the MC didn't introduce the youngsters instead of spending so much time that he didn't have enough to introduce them. Practically the same thing happened on the Jolly Bill program when the Newark Brownies appeared. That is, the little girls were rushed through without being introduced. They were announced as being from Southern Alameda County, so we'll be content with that.

SURPRISE ON SATURDAY

Mr. and Mrs. Harry Bettis managed to keep the secret from Edna Mae Cross that it was her 19th birthday to be celebrated, and not just a meeting at the Pettis residence. Those gathered to honor Edna besides the host and hostess were Mr. and Mrs. Cecil Rhoades, Christine Lyon, Doris Pettis, Donald Pettis and Charles Wood.

POT LUCK FOR Y.L.I.

The April 22 meeting of the St. Jude Institute will be in the form of a pot luck supper and the revealing of secret pals. Dorothy Misener is the chairman of the

committee for this dinner. The members of her committee are Leontina Morris, Mary McMahon, Irma Marks, and June Lewis. Don't forget to come early, at 6:30, and find out who won the grocery basket.

FOOD SALE PLANS

The Churchwomen's Association of the Presbyterian Church met last Thursday afternoon in Westminster Hall. Mrs. Carl Christensen presided over the meeting, at which plans were made for the food sale on May 3. The previous plans had called for a dinner to be given at about that time, but it was decided to present a sale of baked goods instead.

GRANDMOTHER IN OAKLAND

All of the organizations of which Stella Benbow is member have been missing her, but it's for a good reason. Mrs. Benbow has been staying with the John Terry's in order to take care of her new little grandson, Mark Eugene. She has to get the small red-head off to a good start.

A HAPPY BIRTHDAY

At the birthday party which Mrs. Fred Stockton gave for her daughter, Joanne, on Thursday, April 10, a merry-go-round cake was a feature of the refreshments. Seventeen little guests were present at the Stockton home on Roberts Ave. and everyone, especially the young hostess, had a wonderful time.

IRVINGTON CONVALESCENT

Mrs. Sloan is improving quite nicely at the Mission Rest Home. Her recent callers have had to track her down as she now has more freedom in her wheel chair. She may be found anywhere from her room to the solarium!

EASTER DINNER

The Lawrence Millards entertained at Easter dinner in their San Jose highway home. Those present were Mr. and Mrs. Martin Knudsen, Mr. and Mrs. Cecil Wright, Mr. and Mrs. James Calhoun, and Mr. and Mrs. Carl Christensen.

AD-A-MITE MEMBERS

The regular monthly meeting of

the Ad-A-Mite Club was held last night at 8 p.m. The presiding officer was Ernestine Brewer in the place of Eva Swan, while Lillian Short and Marge Callahan were co-hostesses. Plans were completed for the coffee and cake booth which the Ad-A-Mites will man at the Irvington School Carnival next week-end.

DINNER GUESTS

Mr. and Mrs. Tom Byrne were dinner guests on Saturday evening of Mr. and Mrs. Fred Forsythe at the Forsythe home on Fremont Avenue in Centerville.

YOUNG PEOPLE'S PARTY

On Saturday the young people of the Presbyterian Community Church will meet in Westminster Hall for their every-two-weeks party. Those adults who assist Mr. and Mrs. Cecil Rhoades are Mr. and Mrs. Charles Brewer, and Mr. and Mrs. Harry Pettis.

ORDINATION IN MAY

May 16 will be perhaps the most important day in Cecil Rhoades' life as that is the date that has been chosen for his ordination. The ceremony will be held right here in our own church, where Mr. Rhoades has worked so hard and faithfully for the past two years. We in the community have a great deal to look forward to in the future when we have the Rhoades with us all the time.

When the seminary is completed and the ordination takes place, they plan on vacationing in the East. Mr. Rhoades' family reside in Pennsylvania and Mrs. Rhoades' home is in New York.

CHAMBER HEARS PROGRESS REPORT

Progress on a flood control survey for the Irvington area was reported to the Irvington Chamber of Commerce at its Tuesday meeting, and plans are being made to present the survey in detail to the Chamber at its first evening meeting scheduled for May 29.

In a letter to the Chamber, Chester E. Stanley, county supervisor, reported that the initial survey undertaken by the engineers of the county planning commission was completed, and plans could now proceed for a flood control program for the area "through voluntary subscription."

Jack Prouty, chairman of the Chamber's flood control committee, reported that a conference with H. Vivrette, engineer undertaking the survey, would be held next week and that a final report would be presented to the Chamber on May 29.

Serving with Prouty on the flood control committee are Carl Christensen and Roy Clark.

Mount Davidson, 925 feet, is the highest point in San Francisco.

WARDEN TRAINING ENDS: GRADUATES RECEIVE DIPLOMAS

Graduation certificates have been issued to 212 block wardens and six messengers who completed the defense training courses given in Washington Township, civil defense officials announced recently.

The classes began with the first session at the Alvarado Elementary School February 26. A class each week for four consecutive weeks was held thereafter at the other grammar schools in the township.

Defense training officials and civilian aids expressed satisfaction at the response to the call for block wardens. Other classes in first aid and home nursing have been started as a result of requests from interested persons who had attended the block warden training classes. The six messengers to receive certificates are volunteer youths who received training in defense procedures.

The list of graduates by communities follows:

DAY BY DAY IN DECOTO

By GRACE CAMINADA

Grace Caminada

NO FISH, BUT FUN

Though there weren't any fish to take home, three young fellows and their chaperone enjoyed the day very much. Betty Margard, her sons Freddie and Frank and Vernon Baca motored to Rio Vista last Tuesday and spent the day camping and wiggling the bait.

NEW RESIDENTS

Born at the Decoto medical building on April 14 was Maria Elena Castillo, daughter of Mr. and Mrs. Antonio Castillo of 25022 Washington Street, Hayward. She weighed in at 7 lbs., 12 ozs. This is their fourth child.

Born on April 13 was Michael Peter Miller, son of Mr. and Mrs. Clyde Miller of Rt. 1, Box 468, Niles. He weighed in at 9 lbs. at the time of his arrival at 12:01 a.m. This is their third child.

EASTER GUESTS

Mr. and Mrs. Joe Carey entertained at their home on Easter Sunday with their guests as Mr. and Mrs. Vernon Carey of Niles and Mr. and Mrs. Lennie Dias and son Bobbie of Sunnyvale.

TO MILPITAS

Elsie Brown motored to the home of her aunt and uncle, Mr. and Mrs. Joe Peixotto, of Milpitas for her Easter dinner.

CANCER FILM

A reminder that the cancer film will be shown on April 23 at the Decoto Elementary School at 8 p.m. for girls over 12 and ladies.

Dr. Robert W. DeVoe of San Leandro will be guest speaker.

THEIR FIRST

Mr. Pete Hernandez, formerly of Decoto, and his wife are parents of a son, Larry, born in Oakland last Monday evening.

Pete is service manager at Jack Holland's car agency in Hayward. This is their first child. The Hernandez reside in Hayward.

DEN MEETING

A committee and den mother meeting for the cub scouts was held at the home of Cubmaster Lt. T. D. Proffitt of 1362 Revere Ave., Hillview, last Monday evening.

groom's family. She carried a white lace fan trimmed with mother of pearl on which was carried a white orchid and bouvardia streamers. Both the comb and fan were imported from Spain.

The bride's mother wore a navy blue afternoon dress and had an orchid corsage. The groom's mother chose lavender lace with an orchid corsage.

A reception for 300 guests was held at the Decoto Spanish Hall in Hayward on the Hayward-Niles highway.

Mary will be transferred from her present position with the Central Bank in San Lorenzo to Fruitvale. Bruce is an interior decorator in Oakland, working with his father.

The couple will reside in Oakland after their honeymoon.

SIGN-UP CAMPAIGN FOR NEWARK BANK SET FOR TOMORROW

Some personal questions will be asked the citizens of Newark tomorrow (Saturday) by the Newark Chamber of Commerce in an effort to obtain information needed for the establishment of a bank in that community.

The day has been designated "Newark Bank Sign-up Day."

Questionnaires were published last week and residents were asked to give complete information thereon. The information, when tabulated, should prove the necessity for a bank in Newark, Chamber spokesmen said. Tomorrow the questionnaires will be collected.

The Newark Chamber has requested that those who can not be

contacted in person mail their questionnaires to the Goodwin Accounting Service, Centerville. This firm will audit the results for the Chamber of Commerce. Only the final tabulations will be made known, it was stated, and all information disclosed on the individual questionnaires will be kept strictly confidential.

The questions being asked should reveal how many residents of the community would patronize a bank in Newark and the type of banking service desired.

Chamber officials are confident that the results of the survey will confirm their belief in the need for a bank in that community. A committee of 14 recently completed

its preliminary survey of the problem and has held conferences with banking firms interested in the Chamber's proposal.

Paul Gygas is chairman of the committee. Other members are: Arthur Cotton, Dr. Howard Buschke, Paul Heiling, C. W. Lindsay, Stanley Menetery, John S. Oliveira, Frank Veit, Sam G. Scott, Jake Jacobsen, Mrs. Vincent Sulezich, Edward O'Mara, T. G. Gunn and E. B. Hodges.

Residents and commercial establishments in Newark have been without local banking facilities for a number of years, since the last bank there was consolidated with another banking firm which closed the Newark branch office.

SERVICES HELD FOR MRS. PORRAS

Funeral services were held Monday in Niles for Mrs. Luz Porras who died at her Decoto home at the age of 69.

The services were conducted from the Berge Mortuary Company parlors, Niles, with mass being said at Our Lady of the Holy Rosary Church in Decoto. Interment was at Holy Sepulchre Cemetery.

Mrs. Porras was a native of Mexico. She is survived by six children: Concha Romero, Margaret Pruneda and D. Porras, all of Decoto; Joe Porras and Frances Garnica, both of Kansas; and Frank Porras of Chicago. Twenty grandchildren also survive.

VISITS AT LOCAL CHAPTERS OF N.A.P.

Edward E. Enos, Niles postmaster, returned this week from a visit to local chapters of the National Association of Postmasters in Southern California. Enos is president of the California State Chapter of the association.

During the trip, on which he was accompanied by Mrs. Enos, he visited Los Angeles, Palm Springs, Imperial and San Diego.

Plans are now being made for the state convention of the association to be held at San Jose May 19-22.

HUSKIES LOSE PRACTICE TILT

Making good use of 6 errors, the Bellarmine Bells defeated the Washington Huskies 6-3 in 8 innings. The game was played on the Huskies diamond.

The Bells got off to a second inning lead of 1-0 on a hit and a Huskie error.

The Huskies struck back in the fourth when Kenny Teague walked and Vern Perry brought him all the way around with a double.

The score was deadlocked then until the eighth, when the Bells scored 5 times on 4 Huskie errors. The Huskies tallied twice in the eighth frame but it was not enough to catch the Bells.

The Bells collected 11 hits while the Huskies garnered 4.

Losing pitcher Bob Hird went the distance for the Huskies, striking out 8, walking 2, and gave up 1 earned run.

In League play, the Huskies are in a tie for second place, with a 2-1 record.

In Marin County an adobe structure built about 1840 is still in use as a residence.

MICHAEL CAMPAIGN INTO FULL SWING

More than 30 members of the Bruce Michael campaign committee gathered for a general meeting at the Michael residence in Warm Springs last Friday evening.

It was announced at the meeting that Herman Wentz, Livermore community leader and wine company executive, has consented to serve as general chairman for the Michael campaign committee. Michael, 39, Warm Springs farmer, is opposing incumbent Chester E. Stanley for the office of Alameda County supervisor in the first district.

Richard Johnson Jr., also a Warm Springs farmer, is serving as assistant general chairman. Johnson will act as chairman in the absence of Mr. Wentz, who is on a business trip.

"I have become acutely aware of the fact that we in Southern Alameda County are not represented properly on the board of supervisors," Michael told his committee.

"This is the first time I have ever campaigned for public office. I know you feel—as I do—that a change in supervisors is necessary."

SCHOOL LUNCHES TO BE DISCUSSED

The Kimball elementary school in Hayward will be the scene of a meeting of school lunch personnel of Southern Alameda County. The meeting, to be held Saturday, April 19, will be held in the new multi-purpose room of the school, where luncheon will also be served.

The School Lunch Committee, sponsors of the affair, is headed by Miss Evelyn Garcia, school lunch co-ordinator and nutritionist for the Hayward elementary schools.

Others on the committee are Mrs. Dorothy Scott, of the Russell City school; Mary Shea, vice-principal of the Newark school; Gus Robertson, principal of the Irvington school; and Mrs. LaVerna Telser, assistant director of public health of Alameda County.

Katherine Borneman, assistant superintendent of the Hayward schools, will open the meeting.

The program will comprise a talk by Mrs. Ethel Ward, director of curriculum for Alameda County schools; also a talk by Albert Kruse, sanitarian for Alameda County; and a talk by Thelma Olsen, state supervisor and nutritionist.

Subjects coming up for discussion will include sanitation in the lunch room, new working procedures, new tested recipes, nutrition, and other subjects related to perfecting the school lunch program.

RITES TOMORROW FOR MANUEL F. SILVA

Rites will be held tomorrow (Saturday) from the Chapel of the Palms in Centerville at 8:30 for Manuel F. Silva, 69, who succumbed at his home in Newark on April 16. Mass will be said at St. Edward's Church at 9 a.m.

A native of Fayal, the Azores, he was the husband of the late Margarida Silva; and was the father of Adeline Foster of Newark; and brother of Mrs. Mary Costa of San Francisco. He is also survived by a granddaughter, Mrs. Doris Silva of Newark.

Interment will be at Holy Ghost Cemetery, Centerville.

ARGUMENTS HEARD AGAINST ZONING AT WARM SPRINGS

By a vote of 37 to 28, the Warm Springs Chamber of Commerce decided to continue working on a master plan for the community.

The vote came at the close of a stormy mass rally of property owners in the community. The meeting was attended by more than 100 people of the area, who freely expressed divergent views regarding the proposed planned development of Warm Springs. However, officials of the Chamber expressed satisfaction with results of the meeting.

"We have been working on the problem since 1946," stated one. "There has always been a certain amount of opposition to planned development which we believe was due to a lack of proper understanding of the problem. Though we didn't accomplish much at this meeting, we believe now there is a better understanding of what must be done."

The meeting had been called by the Warm Springs Chamber for the purpose of considering a proposed land use map tentatively approved by the Chamber last month.

John Thomas, engineer for the Alameda County Planning Commission, explained the proposed map and types of ordinances to be adopted after a specific zoning plan had been approved. He explained a plan for land use must be adopted by a community before county planning authorities can work out and recommend zoning details.

Howard Schlosser, one of the leaders of the group opposed to the present planned development program, read a letter which he stated he had received from Chester E. Stanley, county supervisor for the area. The letter, in addition to reiterating what Thomas had said, stated that "specific zoning is in no way compulsory."

Greatest objection to the proposed plan was voiced against relocation of the business district. There was much discussion also as to the limitation placed on keeping horses, cows, dogs, goats and geese if zoning ordinances were adopted.

Among the guests present at the meeting were R. J. Wright of Irvington, chairman of the Alameda County Planning Commission; Harold Frank of Oakland, chairman of the recently organized Alameda Land Planning Committee; Ernest Sharpe of Oakland, representing the Alameda County Industries Association; and representatives of the Western Pacific Railway Company.

The meeting was conducted by the vice-president of the Chamber, Charles Venturi, who will be acting president of the organization during the leave of absence granted Bruce Michael.

Birthday Feted

Lots of people and lots of pres-ents and, of course, plenty of party refreshments made Diane Erickson's fifth birthday last Mon-day one she will remember for a long time.

Those who participated in the party were, of course, her parents, Mr. and Mrs. Lyle Erickson, and the following guests: Mrs. Rachel Doremus and Dennis, Mr. and Mrs. Guido Tuana and Susan and Bob-by, Diane and Dawn Osborn, Mrs. Selma Schramm and Kenneth and Sharon, Mr. and Mrs. Jacopi, Har-ry Cavanagh, Tonya Stewart, Roy Garcia, Mrs. Maxine Weissenbach-er and Warren, Mrs. Mary Cardoza and Johnnie, Chris and Jimmy Pocht, Mr. and Mrs. Ernest Lang and Darla Mae and Corinne, Mr. and Mrs. Elmer Picha and Doug-las, Eddie and Jeannie Picha.

Centerville Girl's Betrothal Told

Daisies WILL tell. At least it was daisies, attached to tiny scrolls inscribed with "Toni and Johnny," that told of the betrothal of Antoinette (Toni) Pimentel and John L. Cordeniz. The an-nouncement was made by the par-ents of the betrothed girl, Mr. and Mrs. George L. Pimentel, at a re-cent cocktail party for members of the immediate families at their home on Oak Street in Centerville.

Antoinette is a graduate of Notre Dame High School in San Jose and since graduation has been employed as a dental assistant in Centerville.

John, the son of Mr. and Mrs. John M. Cordeniz of Irvington, is a graduate of Washington Union High and is now co-owner and manager of the J. M. Cordeniz and Sons Dairy.

No date has been set for the wedding.

Meeting in Japan

Tom Cardenas, former Centerville bank employee now in Korea, writes that the cold weather over there is on the wane. "The days are warm, but the nights are still quite cold."

Tom, attached to the 40th In-fantry Division in the finance de-partment, also writes that he met a Niles boy in Japan at Camp Drake—Paul Vallerga. "It was sure swell seeing someone from home."

FUN FOR ALL AT IRVINGTON SHOW

Irvington is all set for their big annual carnival and show to be presented to the public under the sponsorship of the P.T.A. on April 25 and 26.

Truly an all-community affair, every organization is represented by a booth at the carnival, includ-ing the Chamber of Commerce, Veterans of Foreign Wars and Auxiliary, Y.L.I., Ad-a-mites, Auxiliary of the Fire Department, S.P.R.S.I. and U.P.E.C., Boy Scouts, Girl Scouts, Cub Scouts, Brownies, Youth Center, School Orchestra, Student Body, and Cafeteria group. Each group will receive all the proceeds from its own particular booth.

A two-hour variety show will augment the carnival, and will in-clude songs, dances, pantomime acts, comedy skits, and everything designed to give the audience a real show—for very little money. The price for carnival, show, ev-erything, is only 50 cents.

The carnival, to be held in the community building, will get un-der way at 7 p.m. Friday, and at 6 o'clock on Saturday night. The show starts at 8 o'clock on both nights.

Monterey County jade was used by Indians nearly 2000 years ago.

They're Being 'Hexed'

Mrs. Dan Bodily of Ellsworth Orchard, Niles, is quite sure that her family is being hexed. On a plane trip to Portland last week, where she went with her young-est—four months old Forrest—to attend her brother's wedding, she came back with an empty purse. Not because she had been unduly extravagant, however. It was be-cause her purse, among 75 others, was robbed during a pre-nuptial party. She is \$75 loser.

In addition to that piece of bad luck, her sister-in-law, Mrs. Ila Stone, now visiting the Bodilys, lost her suitcase in transit on a bus from her home in Ogden, Utah.

The Bodilys are beginning to ask each other, "What next?"

Easter Dinner

Mr. and Mrs. Joe F. Vargas of Centerville, Mr. and Mrs. Joe Am-aral Jr. and family, and Mrs. Car-men Foster of Irvington had Easter Day dinner at the home of Mrs. Mae Henry and Miss Anna Vargas of San Leandro. The delicious dinner was prepared and served by Mrs. Alice Gabriel of Oakland.

Visit in San Diego

Mr. and Mrs. A. Ferrante have returned to their home in Niles after a ten-day visit with their daughter-in-law and grandchil-dren in San Diego. Mrs. John Fer-rante is living in San Diego while Lt. Ferrante is out at sea.

The Ferrantes, who were ac-companied on the trip by their nephew, Jimmy Faletti, also vis-ited in Mexico while they were in the south. Mrs. Ferrante re-newed her friendship with many Navy people whom she had met when she visited her son and daughter-in-law in Hawaii.

Leaving for Phoenix

Mr. and Mrs. Arthur Belshaw of Centerville are leaving today (Fri-day) for a trip to Phoenix, Ariz., where Mr. Belshaw will attend a convention of the Presidents Club of the Metropolitan Insurance Co. En route they will stop off at Santa Barbara and visit the Jack Rathbones, will spend a couple of days at Palm Springs, and then on to Phoenix. Before they com-plete their trip they plan to see the south rim of the Grand Can-yon and go into Las Vegas.

Birthday Celebrated

Miss Shirlee Amaral celebrated her 17th birthday at the home of her parents, Mr. and Mrs. Joe Amaral Jr. of Irvington on Sat-urday night. Those who partici-pated were: Mr. and Mrs. Albert Martin and Judy of Alviso; Mr. and Mrs. Joe F. Vargas of Center-ville; Mr. and Mrs. Arthur Amaral and Dennis; Mrs. Mary Amaral; Mrs. Carmen Foster; and Miss Elaine Borge, all of Irvington. Shirlee received some wonderful gifts and ended up the gay night with refreshments.

Annual 'Round-Up'

"Cowboys" was the theme for the birthday party that Mrs. Clyde Voorhees of Centerville gave for her son, Jeff, who celebrated his fifth birthday Thursday. The youngsters, gathering in the patio for lunch, were treated to real western food, the kind that cow-boys have a "hankerin'" for. Present at the "round-up" were Penny Moore, John and Ann Howe, Jackie Rogers, Terry and Danny Grimmer, Billy Nordvik, Schuyler Van Scoy and Roddie Buehler.

Easter Gift

Mr. and Mrs. Clyde Miller of Niles were presented with an Eas-ter gift—a husky baby boy, born on Sunday right in their home. His arrival was so sudden that Mrs. Miller didn't have time to go to the hospital. He has been nam-ed Michael Peter.

The couple has two other chil-dren, Clyde Jr., 3, and Patsy Jean, 2.

In Hat Parade

Winning out in the annual Betsy Ross Parlor, N.D.G.W., hat pa-rade, held last Wednesday eve-ning, were Mmes. Anna May Briar, Anna Rose, Mamie Perry, and Aldina Garcia. More than 30 hats were shown—making the se-lection of the winners very dif-ficult.

Arrives Safely

Mr. and Mrs. Joe Amaral Sr. of Irvington received word that their daughter, Dorothy Brink-man, and her two small daughters arrived safely back home in De-troit after spending a month visit-ing with them here.

Surprise Party

Peggy Voorhees, all set to go to bed last Friday night, was inter-rupted—and happily so—by sev-eral of her friends arriving to give her a birthday party.

The surprise party was all ar-ranged by her husband Clyde, from the refreshments to the bridge prizes. Those who enjoyed the fun were the Irving Hirds, the Jud Taylors, and the Karl Nord-viks.

Return from Texas

Mr. and Mrs. Hoyle Easley re-turned home to Niles after a seven weeks stay (for Mrs. Easley) and a three weeks stay (for Mr. Eas-ley) at Hedley, Texas, where they went to be with her father, Mr. Carl Bailey, who had a serious op-eration. Mr. Bailey returned to Niles with them.

Mrs. Joe Champion spent Easter week in Lindsay visiting with her son, Tom, and his wife and daughter. "I never saw such oranges in my life," said Mrs. Champion enthusiastically. "The trees were just loaded with im-mense oranges — and delicious, too."

3 cups corn flakes 1/4 cup Pet Milk
2 Tablespoons butter 1 cup drained, canned
3/4 cup brown sugar fruit cocktail

Put corn flakes into greased bowl. Melt butter in skillet over low heat. Stir in brown sugar a little at a time. Cook over low heat until sugar is melted, stirring all the time. Then stir in milk by tablespoons. When smooth, boil and stir 1 minute. Remove from heat. Pour all of mixture over corn flakes at once. Turn corn flakes gently over and over until all are coated with mixture. Drop from mixing spoon onto waxed paper making 4 patties. With spoon and fingers shape into rounds about 4 inches across. Then press a hollow in center of each. At serving time fill with equal parts of fruit cocktail.

NEWARK News Notes

BLOOD BANK TOMORROW

The Mobile Blood Unit will be in front of the fire house Monday from 10 a.m. to 430 p.m. This will be for the convenience of Newark donors. The unit will remain open during the noon hour to enable those who are working to donate their blood. Mrs. Marie Patterson, contact woman for the Newark area, will accept appointments until Friday (today). If it is impossible for a donor to make an appointment he may still contribute his blood at the bank.

In preparation for the donation a donor must abstain from eating for four hours before he is to donate. However, black coffee or water may be taken during this four-hour time. The reason for this stipulation is that the blood will not be in the correct condition if food has been consumed beforehand. Any blood which does not meet with qualifications will be wasted, as it must be in excellent condition to do its vital duty.

The phone number for appointments is Newark 3-3585.

MAGIC AND PUPPET SHOW

Brownie Troop No. 76 will sponsor a magic and puppet show on Friday, April 25, at 8 p.m. This show will be held at the Newark Elementary School. The girls are now selling tickets for the event, which will aid their troop funds.

POT LUCK SUPPER

A pot luck supper will be held by the Confraternity of St. Anne on Wednesday, April 23, at the Newark Youth Center. This supper will begin at 6:45. Musical entertainment is being prepared by Mr. Ed Kettman.

SCOUT-O-RAMA

The Newark Boy Scout troop has been busy selling tickets for the Scout-O-Rama on May 9 and 10. This Scout performance will be held at the Municipal Auditorium in Oakland on the above dates. The boys have been working hard trying to sell their tickets around town.

KINDERGARTEN MEET

Next Tuesday at 2 o'clock a meeting will be held at the Newark Elementary School in the kindergarten room. It will be for the parents of those children who will be enrolled in the kindergarten next fall. Miss Lunney Ryan, general supervisor, will address the parents assembled. Mrs. Clara Cosner will also speak to the parents. They will give the necessary information about the life of a kindergarten pupil. Parents will not be able to register their children at this time. The meeting is for discussion only.

DELEGATE TO CONVENTION

For the first time in the history of the Newark P.T.A. a representative will be sent to the state convention from this district. Mrs. Marty Sammon has been appointed as delegate from the Newark P.T.A. The convention is being held this week in San Francisco.

Estimated Federal expenditures for 1953, under President Truman's proposed budget, would equal the incomes of all persons west of the Mississippi (the darkened area), according to National Association of Manufacturers' estimates. This is a black picture, indeed, for the American People. The tremendous increase in Federal spending is realized when it is understood that in 1929 the spending amounted to less than two-thirds of the income of those people living in California.

JOAQUIN FIELDS SERVICES HELD

Services for Joaquin G. Fields, a retired orchardist and for 65 years a resident of Niles, were held Monday. He would have celebrated his 91st birthday on May 15.

Mr. Fields, a native of Fayal, the Azores, passed away at his home at 517 Second Street, Niles, after a brief illness. He had been in good health up to a few months ago. Mr. Fields had lived his entire 65 years in Niles at the same address.

He is survived by three daughters, Mrs. Rose Avilla of Centerville, Mrs. Caroline Rose of Niles, and Mrs. Mary Rodrigues of San Jose, and two sons, Frank Fields of Niles and Joaquin Fields Jr. of San Jose. Nine children and two great-grandchildren also survive. He was the husband of the late Caroline Fields.

Services were held at the Berge Mortuary Company parlors and mass was said at Corpus Christi Church. Interment was at Holy Ghost Cemetery, Centerville.

425 VISIT X-RAY CLINIC IN MARCH

Four hundred twenty-five people in the Southern Alameda County area had a chest x-ray at the Walpert Memorial X-Ray Center during March, the Alameda County Health Department announced this week.

"This shows," says Dr. James C. Malcolm, health officer, "that people are finding it convenient and worth while to use the center for the yearly x-ray habit."

The center is open one evening a week, and on a recent Thursday evening 40 people stopped for an x-ray. Thirty-nine physicians in the area referred more than 200 patients to the x-ray center last month and 80 people came to the center because their employers required them to have a chest x-ray.

During the first 3 months of the year 110 teachers visited the center for the chest x-ray, which is now required of most school personnel in this area.

FINAL RITES FOR SALUD PANIAGUA

Mass was said at St. Anne's Church, Alvarado, for Mrs. Salud Paniagua, 49, who died at her Alvarado residence, 885 W Street, after a long illness. Interment was at Holy Sepulchre Cemetery, with arrangements by the Berge Mortuary Company.

Mrs. Paniagua, a native of Mexico, was the wife of Joseph Paniagua and the mother of Nicholas Paniagua of Alvarado; Salvador Paniagua of Hayward; and sister of Mrs. Carmen Betis of Hayward; Selaso Vega and Frank Vega, both of Decoto. She is also survived by three grandchildren.

FRASER WINNER IN ZONE CONTEST

Keith Fraser, 15-year-old student at Livermore Union High School, was adjudged winner of the Lions Club annual zone public speaking contest held at the International Kitchen recently with more than 140 neighboring club members present.

"Learning to Live Together" was the subject of the addresses given by eight contestants.

The winner competed against Pat Collins of Newark, Dick Smith of Hayward, William Allender of Pleasanton and Brian Desmond of Castro Valley, all winners in their respective high school elimination contests.

Judges of the event were Rev. Howard Steward of Centerville, Louis Gardella of Livermore, and Judge Lester Foley of Hayward. The Centerville Lions acted as hosts at the meeting, with Erle Hygelund, zone chairman for the Lions, presiding.

CANDIDATE'S WIFE TALKS AT HOME ARTS MEETING

Meeting Tuesday evening at the Country Club house in Centerville, the Home Arts section of the club had as its speaker Mrs. Bruce Michael, who talked about the life of the wife of a political candidate.

"What do you do with all the money you make?"

Standard's income sometimes raises such comments as: "You people do a lot of business. You must be rolling in dough. How about answering this one—What do you do with all the money you make?"

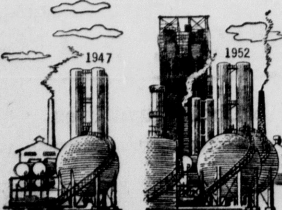

The answer is a matter of public record. But in brief—after we've paid for materials, wages, employee benefits, and miscellaneous expenses... wear and tear on plants and equipment... interest on our long-term debts... and, in the last 5 years, more than \$405,000,000 in taxes—then what's left, the "money we make," goes this way:

Exploration here and abroad has cost us more than \$229,000,000 in the last 5 years. Known crude reserves are at an all-time high. But these deposits were the easiest to discover. Though the earth holds vast hidden reserves, it now costs many millions to find each new field.

And finally, after setting aside funds for future operation, our more than 100,000 shareholders get what money remains—last year \$2.60 a share, their return on savings invested in Standard. So almost all the "money we make" goes right back into circulation.

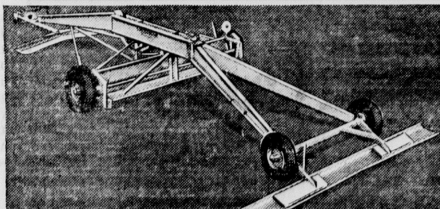

We invest in research and technical service—more than \$35,000,000 in the last 5 years—to develop better ways of finding oil, increasing the yield, cutting costs, creating new business. That brings you new and improved products, with prices held down as we compete for your patronage.

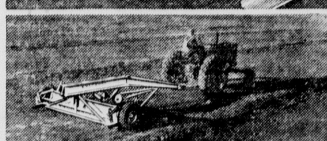

We put funds into facilities—in the last 5 years, more than \$644,000,000. The need for oil products keeps growing. Standard must replace old wells, increase crude oil production; add to the capacity of refineries, pipelines, tankers, and other things needed to serve you well.

HERE ARE ABC'S FOR PUBLICITY CHAIRMEN

ALL CLUBS SHOULD READ . . . AND HEED

If you are a publicity chairman for your organization, your responsibilities don't end after you have accepted the appointment, and have basked for a few hours in your new glory.

Now it is up to you. You can do one of two things: either adopt a "do nothing" policy, feeling that a publicity chairman is that in name only, or you can do your organization a great service by bringing to the attention of the public its more important activities.

There is only one way for you to publicize your organization, and that is through the newspapers. Newspapers, you will find, will co-operate with you in your attempts to bring news of your club to the attention of the public IF THE NEWS IS SUBMITTED IN THE PROPER WAY.

There are several rules to follow in the proper submission of news which, if observed, will not only bring accolades to you from your own club members, but will cause you to be regarded with great favor by people in newspa-

per circles (and you never can tell when this might be of distinct advantage to you personally!)

Here are the rules. Clip them out. Paste them in the front of your publicity scrapbook if you want to. But, above all, FOLLOW THEM.

1. Publicity releases should be type-written, if possible, and double-spaced. If it is not possible to type, write in legible longhand, being careful to spell out names correctly.

2. Find out the deadline of your paper, and see that your news is submitted in time to make the deadline.

3. If your organization meets on a Wednesday night, say, and the deadline is Thursday morning, don't phone a long rambling report in to a busy editorial staff, but hold the news over until the following week (we are speaking of weekly newspapers). If something exceptionally important has transpired on the Wednesday night meeting, however, and you feel that it is necessary to get it into the paper immediately, have your

information all prepared, and as brief as possible, then phone it in Thursday morning, ONLY AFTER BEING ASSURED BY THE EDITOR THAT SPACE IS AVAILABLE.

4. Do not feel offended if an editor finds it impossible to take news on a press day. If he can, he will, but if time and space are short, there's not much he can do about it.

5. Never, NEVER submit a rambling, detailed account of your club meeting in your releases to the press. You were appointed as publicity chairman because your president considered that you had good judgment. Use it. Separate the trivia from the really important highlights of the meeting, and don't send in the trivia.

Remember, the general public wants NEWS when it reads the paper, and who cares whether or not Susy Jones made a motion that the club have its clubhouse windows washed?

6. Don't, under any circumstances, ask the editor to place your news in any particular part of the paper. After all, it is HIS paper. There are many extenuating circumstances that make it impossible for an editor to promise to place a story in a particular spot.

6. Don't try to alibi the lack of publicity for your club. If your organization is not getting the proper amount of publicity, it is YOUR FAULT. If you observe these rules, you will get all the publicity that is necessary. But remember, a paper cannot become just a means of publicizing your own particular club. It must print other news, too, in order to keep up its circulation. So don't become space greedy, just so you can

show a bulging publicity scrapbook. There's nothing that irks an editor more than to hear, "Will you please put this in the paper, so I can get it in my scrap-book?" It is YOURS, he'll print it.

7. Don't mail in publicity releases that are incomplete, with such notations as "You can get the rest of the names from Mrs. Blank." It is YOUR job to compile ALL the information.

8. If, for some reason known only to the editor, your publicity release doesn't appear in the paper, don't follow your first impulse to "tell him off." All sorts of unforeseen things happen in printing a newspaper. Your releases will appear nine times out of ten, IF PROPERLY PRESENTED. If, on the tenth time, it doesn't appear, don't get in a rage. That's a pretty good percentage. And always remember, that in many metropolitan papers, an organization or lodge has to PAY SPACE RATES.

9. Editors are human, too, you know. They appreciate those "thank you" letters mailed to them by thoughtful publicity chairmen, who have been grateful for the space given to their club.

MAY DAY PARTY AT NILES CHURCH

A dessert-card party, sponsored by the Martha Sanford Circle of the Niles Congregational Church will be held on May 1.

The May Day party, open to the public, will start at 1 o'clock. Reservations may be procured through Mrs. Ellen Mohn, or Mrs. Howard Mohn, chairman of arrangements.

Proceeds from the affair will be used for the church Sunday school.

JANSSEN CASE IS DISMISSED IN CLAIMS COURT

A law suit brought by the Pacific Business Exchange Company against Marjorie Janssen, owner of El Pajaro Beauty Salon in Niles, for the payment of \$100 for services claimed rendered under a contract agreement was dismissed by Judge Allen G. Norris last Friday at the request of the plaintiff.

In requesting the dismissal of the case, the Pacific Business Exchange, a San Francisco concern purportedly a broker in small business establishments, stated expense involved in producing witnesses would far exceed the judgment asked.

The suit, brought several weeks ago in the small claims division of the township justice court, was for payment by Mrs. Janssen of advertising and other expenses incurred by the company under a contract agreement with her for the sale of her business property.

At the first hearing of the case, Mrs. Janssen had testified that the company's salesman, a man identified only as a Mr. Bernardi, had called on her last spring to request the listing of her business as being for sale with his concern acting as broker.

"The salesman told me," Mrs. Janssen stated at that time, "that I would be under no obligation to pay any fee unless my business was sold."

"Under these circumstances," she added, "I signed the contract. I admit I read the contract before signing but I didn't then understand it as it is now interpreted by them."

Mrs. Janssen then informed the court that she had three witnesses, owners and operators of other business establishments in the township, available to testify that the same salesman of the Pacific Business Exchange misrepresented to them the terms of the contract.

TEACHERS GROUP NAMES OFFICERS

An executive board meeting of the newly organized Washington Township Branch of the California Teachers Association has been called for May 2 by Judson Taylor, president of the organization.

Taylor, athletic coach at Washington Union High School, was elected president at the first formal organizational meeting of the group last week at which a constitution and by-laws were adopted.

Other officers who constitute the executive board are: Loreen Pohl of the Newark Grammar School, vice-president; Philip Brazil of the Centerville Grammar School, secretary; Auvel McLaughlin of Irvington Grammar School, treasurer; and directors, John Perry, principal of the Decoto Grammar School, three-year term; Laverne Dickerson of Niles Grammar School, two-year term, and John Bond of the Alvarado Grammar School, one year.

The executive board meeting will decide on a program to be followed by the organization next fall, Taylor indicated. Committees will be named and a request for a charter from the state organization will be made.

Taylor stated that since no formal charter has been granted the Washington Township branch by the state organization, no meeting of the full membership will be held until next fall. The charter should be granted this summer, he stated.

They had entered into with the same company.

It was on this note that the case was postponed on request of the plaintiff to allow time for the securing of witnesses or affidavits from the salesman.

The salt industry of California is located mainly along the southeast shore of San Francisco Bay.

GROWERS GROUP MAKES PAYMENTS

More than a million and a half dollars in progress payments are now being distributed to members of the California Prune and Apricot Growers Association on 1951 crop prunes and dried apricots; it is announced by Director E. L. Mather, who is also central representative of the Berryessa Prune and Apricot Association.

The prune progress payment brings to more than 8 million dollars the returns made by the association on 1951 deliveries. The current distribution averages more than \$20 per ton for the average size and quality. Additional payments are still to be made by the association on all commodities.

INSTALLATION SET FOR BERNARDO POST

Installation of the new officers of the Joseph and Stanley Bernardo Post of the Veterans of Foreign Wars will take place on Friday evening, April 18, at Maple Hall in Irvington. Robert Murray, deputy department chief of staff of the V.F.W. will conduct the ceremony.

Paul Power of Centerville, World War II veteran who served with the counter intelligence corps in the Pacific theater, will be installed as commander of the post. Other elective officers to be installed are: Victor Hernandez, senior vice-commander; Joseph Stanley, junior vice-commander; Walter Roethlin, judge advocate; Richard Milatz, chaplain; Elwood Leach, quartermaster; and trustees Tarno Fudenna, Antone Cunha and Clarence Dutra.

Appointive officers to be installed at this time are: Stanley Kearley, adjutant; Tarno Fudenna, assistant adjutant; Kenneth Gass, officer of the day; Earl Anderson, patriotic instructor; Victor Hernandez, historian; Edward Freitas, service officer; Franklin Craig, guard; Frank Brown and Joseph Galvan, color bearers; Curt Thomas and Leon Head, color guards; employment officer, Judson Bagwell; Max Stevenson, legislative officer; Howard Henry, assistant quartermaster.

A social evening will follow the installation and no business meeting will be held.

RATE DIFFERENCES ARE EXPLAINED BY UTILITY OFFICIALS

A review of existing utility rate schedules in Washington Township is already under way, Ken Porter, district manager for the Pacific Gas and Electric Co. in Hayward, told members of the Centerville Chamber of Commerce Tuesday.

The Chamber is seeking standardization of gas and electric rates in the Centerville area. Porter and Peter D. Juhl, local manager for the utilities company, were guests at the weekly luncheon meeting of the Chamber at which questions were put to them on the problem.

As explained by Porter, utility rates for domestic consumers are in accordance with established zone schedules, the zones being determined by the load density of electricity or gas carried per mile of line.

"Besides the density load rate there are other matters involved that determine the rate charges in unincorporated areas," Porter said. "Such things as the cost of operation, the cost of investment and a profit margin must be considered."

Prior to 1939, Porter informed the Chamber, all unincorporated areas had the same domestic rate schedule. Since then a zone system has been established. The zone with the lowest load density per mile pays the highest rate," he explained.

"All of Washington Township excluding certain areas of Centerville, Decoto, Newark, Niles and Irvington is in the highest rate zone, or zone 6," he stated. "The areas not in zone 6 are in zone 5, and they have a lower domestic rate."

"That is the reason why persons living in the same block, perhaps across the street from each other, pay different utility rates," he added. "This is always true on the fringe area between different zones or districts."

It was pointed out to members of the Chamber that while most of Centerville is in zone 5, some home owners on Norris Avenue and in the Lincoln tract development are in zone 6 and pay higher utility bills.

This is true also at Hillview Crest in the Decoto area, Ellsworth Orchard tract at Niles and in certain areas at Newark, it was explained.

"It is in the recently built-up areas of these communities where there is a difference in established rates," Porter said.

Asked if there was any possibility of a rate decrease, the utility company officials stated that domestic rates now are lower than rates existing in 1938 and that the Public Utilities Commission is now considering a rate boost requested by the company.

The two utility company officials will make a progress report to the Centerville Chamber on May 19 regarding the company's review of existing domestic utility rates in the township.

LOCAL Y.L.I.'S AT DISTRICT MEETING

FINAL RITES FOR NEWARK MAN

Final rites for John Enos, 60, of Newark were held at the Chapel of the Palms in Centerville this morning at 8:30, with a 9 o'clock mass at St. Edward's Church.

The deceased, who died April 15, at a San Jose hospital, is survived by his wife, Dolores; and by the following daughters and son: Mrs. Mary Cardoza of Newark; Mrs. Virginia Pine of Newark; and Joseph R. Enos, also of Newark. He was the brother of Manuel Enos of Newark. He is also survived by two sisters and a brother in the Azores.

He was a member of the S.E.S. lodge in Newark and of the Stove-mountain Union.

HOME NURSING CLASS SLATED FOR IRVINGTON

A home-nursing class, being sponsored by the Irvington P.T.A. adult education program, headed by Mrs. George Scamman, and the Civil Defense, under Mrs. Justine Adams, will get under way in Irvington on April 29.

The class, to continue for six weeks, starts at 7:30 p.m. For additional information either of the two women mentioned may be contacted.

REBEKAH NEWS

A group of Rebekahs from Silver Star Rebekah Lodge, Irvington, accompanied Anna Bradford, District Deputy President of District 53, to Pleasanton Monday evening, the occasion being the official visit of Mrs. Bradford to the Pleasanton lodge.

Mrs. Bradford, Mrs. Cull, Mrs. Mittee and Mrs. Ann Andersen of Pleasanton attended the luncheon and business meeting of the Past District Deputies Association on Tuesday at the home of Mrs. Melba Nelson, Berkeley. They also practiced for the initiation and installation which will be held Friday evening, April 18, at the Irvington Hall under the direction of Mrs. Bradford, outgoing president.

A regular meeting of Silver Star Rebekah Lodge will be held Friday evening, April 18, under the direction of Elizabeth Mendenhall, noble grand. The meeting will be a short one, starting at 8 p.m., after which the past deputies will hold their meeting.

The newly elected officers of Pleasanton Theta Rho Club and Necona Theta Rho Club will be installed Saturday evening, April 19, at the Odd Fellows Hall, Irvington. Ruth Bettinger, advisor of Sigma Tau Club, Santa Clara, will bring her installing staff for the event. Parents and friends of the girls are invited.

It was pointed out to members of the Chamber that while most of Centerville is in zone 5, some home owners on Norris Avenue and in the Lincoln tract development are in zone 6 and pay higher utility bills.

HIGH SCHOOL SETS OPEN HOUSE NIGHT

An open house will be held April 30 from 7 to 9:30 p.m. at Washington Union High School to commemorate Public Schools Week and to give the parents and friends of students in both the day and evening schools an opportunity to meet with the teachers.

"This is a get-acquainted program," Warren E. Gravestock, vice-principal of the school and principal of the evening high school, stated in announcing the event.

"We feel there are many who would appreciate an opportunity to see the type of instruction given our students," he said.

The evening's program calls for demonstrations and exhibits in each classroom. Teachers will be on hand to answer the questions of visitors.

Entertainment is planned, with the adult glee club presenting a concert in the auditorium during the evening. Refreshments will be served by the students of the home-making department.

Mrs. Gertrude Dutra and the Girls W Club will act as guides for the evening. Judson Taylor is chairman of the reception committee.

TRAP SHOOT MEET SET FOR JULY 4-6

Three new members were greeted at the last meeting of the Washington Township Sportsmen's Club and plans were made for a three-day trap shoot meet to be held July 4, 5 and 6.

The new members welcomed were Theodore Silveria of Irvington, Ed Manners of Centerville and A. J. Gisler of Newark.

Plans for the trap shoot meet include the auction of a gun, outboard motor and a complete fishing outfit, the proceeds to go toward a fund for the new clubhouse.

Announcement also was made of the installation to be completed by April 20 of the first Remington Wing Trap on the club grounds. The grounds are open every Sunday and visitors are welcome.

B.P.W. CLUB TO HOLD INSTALLATION

An installation dinner for the Business and Professional Women's Club will be held at the International Kitchen on May 6.

Delegates named to the conference in San Francisco are Dorothy Czerny, Rose Vieux and Leila Oliveria. Alternates are Ella Joliff, Audrey Carmody and Olive Silva.

PUBLIC WHIST PARTY

A public whist party, sponsored by the ways and means committee of Orient Chapter, O.E.S., will be held at the Masonic Temple on April 25, starting at 8:15 p.m.
